A Sentimental Journey Back

By Marie McNair

WELCOME BACK

Mr. and Mrs. Edwin M. Ashcraft, Jr., who were married in Gibraltar June 19, have returned to Washington and were given a wel-

come home party on Friday by Mrs. Ashcraft's sister, Mrs. A. Winslow Powell at her home in Georgetown.

The bride whose friends call her "Patter" is the former Mildred Virginia Winslow, daughter of the late Danier Winslow and Aileen Devereux Winslow of Cleveland, Ohio. She was overseas with the American Red Cross during World War II, both in the Middle East and Europe, and for five years she served with Central Intelligence. The bridegroom, "Squirrel" to his friends, is with CIA and hails from Chicago. He's well known in the music world as a student of jazz.

The Ashcrafts have an apartment at 2000 Watson pl.
